I am sorry for calling you in morning.

You called 4 times. Was it urgent ?

... Your voice... Are you alright?

콰

Yes... I realize my voice is a little off ... Haha

SFX : Thunder

Yes... gave me a pill yesterday right?

SFX : Bird flapping

Yes... the digestion pill ...

Was it really a digestion pill ?

Well... in a way it did help with digestion ... sort of.

Um... well ... you see ...

This is the digestion pill.

This is laxative... for my constipation.

What have you done ?! Why did you even put that in the children's medicine box ?!

I tend to misplace pills often, so I put it there. Is there a problem...

There is !

A problem now !

This is a problem.. A big problem...

I got a business meeting... Oh, man..., this is bad...

At this rate, my first business meeting for the studio will be...

This is ... a nightmare...

A nightmare I am having while awake.

Nice to meet you. I am Lee Sang-Yeb of the fashion magazine [A-ring]... Are you ok?

Yes, I am fine! I am totally fine! Nice to meet you !

I chose him for his cheap-quote... Did I make a wrong choice?

You don't seem to be doing well, so I will make this quick. This is our magazine.

Our magazine is not popular. The reason being is that we don't follow current trends. We target a niche audience who favor realistic fashion.

In the upcoming month, we are going to release a special coverage on party dresses, so we need to take some pictures.

We will give you the task of taking pictures. I want you to provide us the dresses. Models will be provided by us.

Sounds interesting.
